November 15, 2018

Dear Parents / Guardians

This letter is to inform you that the **Laboratory Examination** for secondary 3 Science will take place December 10th - December 11th, 2018

This examination is **compulsory** for all secondary 3 students and will take place during the regularly scheduled Science classes on the dates specified below:

Any extra time granted according to a student's IEP will be given immediately following the scheduled Laboratory Examination class period.

Mrs. Walker: December 11th, 2018

Mrs. Ceravolo: December 10th, 2018

Absences from class on these dates must be promptly followed by the presentation of a doctor's note confirming that the student suffered from a medical condition of the utmost severity. The failure to produce a valid doctor's note for the absence will result in a mark of zero for this summative evaluation.

Sincerely,

Mrs. Walker

Mrs. Ceravolo
